- 6) The Ministry shall charge all expenditure from the Peace and national dialogue Budget (ARCISS Implementation Fund) to a specific fund code, in order to identify that it is funded from the Peace Budget (ARCISS Implementation Fund), rather than the Spending Agency's appropriated budget.
- 7) Whenever an expenditure is made from the Peace Budget (ARCISS Implementation Fund), the balance of appropriated funds available to the Fund shall be reduced accordingly.
- 8) A report on the use of Funds from the Peace Budget (ARCISS Implementation Fund) shall be laid before the Assembly by the Minister together with the budget execution quarterly report within 1 month of expenditure.
- 9) In the event that the funds appropriated to the Peace Budget (ARCISS Implementation Fund) are exhausted, the Minister shall submit a supplementary expenditure request to the National Legislature for its replenishment, consistent with the provisions of Section 7 of this Act.

## 6. LIMITS TO EXPENDITURE

Expenditures issued by the Undersecretary of Finance must not exceed Forty six Billion two hundred and Seventy six Million, eight

**hundred Thirty thousand nine hundred and sixty eight South Sudan pounds only (SSP 46,276,830,968);**

- (1) No expenditure from this budget or commitments against the Consolidated Fund must be made except as authorised by this Act.**
- (2) No funds except as provided under subsection (3) of this section shall be transferred from one chapter to another during the financial year, or from one Spending Agency to another without the approval of the National Legislature through a Supplementary Appropriation Act.**
- (3) The Minister may transfer funds against an approved budget upon a request of an individual agency between budget lines within a chapter, as long as expenditure internal transfers against the different budget lines do not exceed 20% of the category being reduced.**
- (4) The Ministry of Finance and Planning will establish cash limits for expenditures by Government Spending Agencies not exceeding three billion, six hundred and forty million, nine hundred and sixteen thousand, nine hundred and sixty one South Sudanese pounds(SSP 3,640,916,961) per month. These cash limits shall be set on the basis of revenue availability, according to the revenues that have been deposited into the Consolidated Fund, and expenditure priority, within the limits of the appropriations approved for each Spending Agency in this Act.**
- (5) In the event that the estimates of resources and revenues in the Approved Budget are not expected to be realized in full during the Financial Year, the Minister shall inform the Council of Ministers and the President accordingly. The Minister shall either recommend that the President causes a financial Bill to be submitted to the National Legislature to raise additional revenues or make a request for an allocation from the reserve funds, where available, or recommend to the Legislature that the appropriated budget ceilings be adjusted downward in line with the shortfall. In this case, the monthly cash limits shall sum to less than the annual estimates or resources and revenues.**
- (6) The Government shall not finance a budget shortfall by reducing reserve funds where available or raising funds**

through Government borrowing, whether domestic or external, without the approval of the National Legislature.

- (7) No payments shall be made except in conformity with the Public Finance Management and Accountability Act, 2011.
- (8) All expenditures must be charged against the relevant code of a Spending Agency, according to the appropriate chapter and budget line.
- (9) Surplus funds over revenue estimates and funds out of the legal reserve shall not be spent save by a Supplementary Appropriation Act.

## 7. SUPPLEMENTARY EXPENDITURE.

- (1) Whenever new circumstances occur, or a matter of public concern proves not to have been satisfactorily addressed by the Approved Budget, the President may during the financial year cause a supplementary expenditure request to be submitted to the National Legislature. The Minister shall prepare all such submissions on behalf of the President.
- (2) All requests for supplementary expenditures submitted shall clearly detail the source of financing for the supplementary expenditure. Sources may include a reduction in the appropriations of other Spending Agencies, or allocation from reserve funds where existing, or new revenue raising measures detailed through a Revenue Law.
- (3) Requests for supplementary appropriation shall not exceed five per cent(5%) of the total appropriated budget, unless approved by the National Legislature in the event of a national emergency.
- (4) Once a supplementary appropriation has been approved, the appropriation of the relevant Spending Agency shall be adjusted accordingly, on a chapter by chapter basis, according to the relevant budget line and activity code.
- (5) Where supplementary appropriations are financed through an allocation from reserve funds, reserve funds will be reduced accordingly, and the appropriation of the Spending

**Agency increased by the same amount. Expenditures shall not be charged against reserve funds.**

**(6) The Minister of Finance and Planning shall not borrow, guarantee, or raise a loan on behalf of the Republic of South Sudan to finance supplementary expenditures except as authorized by the National Legislature.**

**(7) (1) Supplementary expenditures shall not be incurred before the approval of the Legislature has been obtained, except when financing the following items detailed in Article 90 (5) of the Transitional Constitution of the Republic of South Sudan, 2011:**

- a) emoluments of the President;**
- b) expenses of the State House;**
- c) budget of the Judiciary;**
